Foreign Broadcast Information Service
25X1 [redacted]
London W. 1. England

Dear [redacted] 25X1

I just received your message No. 300515 in which you state that you are still hopeful that the BBC will install your indirect lighting.

I do believe that this might make working conditions more pleasant and, consequently, be a little help to morale. If a letter from me to Frost would do you any good, please draft it and send it to me for signature.

Sincerely,

L. K. White
